

5. There will be a good concourse of people at the jatra which will afford a market for cattle dealers.

6. For further particulars, the exhibitors will apply to the Amildar of Sa

K. S.

President, D.

ENGINEERING DEPARTMENT.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice.

Tenders for the purchase of the following are invited so as to reach the undersigned or before the 2nd March 1918:

1. 6 tons of copper; 8 tons of Black Lead. 2 tons, Brass Scrap.

(Samples to be had for inspection at the office of the undersigned.)

Each tender to be accompanied with an earnest money of Rs. 100 which will be refunded or adjusted towards the value of the materials purchased as the case may be.

Terms.

1. The quantities noted above are only approximate and the actual may be more or less. Tenders may be for any part or whole of any or all items.
2. Tenders will be opened at noon on Monday the 4th March 1918. If otherwise of the tenders will be notified as early as possible after the above date.
3. Twenty-five per cent of the purchase money should be paid immediately on acceptance of the tender and the balance at the time of taking delivery. Failure to do so will entail forfeiture of the earnest money and render the tender liable to be rejected.
4. The delivery of the material will commence within a week after the receipt of the twenty-five per cent of the purchase money and complete delivery in one month.
5. The undersigned reserves the right to reject any or all tenders for any reasons nor does he bind himself to sell to the highest bidder.
6. Delivery at our General Stores, Bangalore City. Packing and forwarding charges to be borne by the tenderer.

Notice dated

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer with the Government of Mysore, Bangalore, up to 15th March 1918, at the Station at the junction of Subedar Chattram and Race Course Roads opposite the Police Station. The tender will be opened in public at 2 P.M. on Saturday the 16th March 1918. The tender to complete the work should be indicated as this will be one of the chief objects of the tenders.

2. The plans, detailed estimate and conditions may be obtained at the Chief Electrical Engineer's Office, Bangalore, between the hours of 11 A.M. and 5 P.M. on all working days.

3. Tenders should be submitted on printed forms which may be obtained at the Chief Electrical Engineer's Office. The tenders should be accompanied by a statement of the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,500 in cash or Government Notes, as earnest money, and be superscribed "Tender for constructing Power Station of Subedar Chattram and Race Course Roads," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Government, who reserve the right to accept the lowest or any tender or to assign any reason whatever for the rejection.

6. Within eight days of the award of the tender, the successful tenderer must execute the usual contract bond; in default of which his tender will be considered forfeited and his earnest money will be forfeited.

7. The name of the successful tenderer will be posted on the notice board at the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance of the tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be refunded.

9. The construction work should be started by the 15th April 1918.

S. G. FORBES,
Chief Electrical Engineer
to the Government of Mysore.

Notice, Camp Hassan, dated 10—14th February 1918.

It is hereby notified, for the information of the officers concerned, that the Departmental Examination for Assistant and Sub-Assistant Engineers, prescribed in Government Order No. 311-5—P. W. 1859-63, dated the 17th February 1917, will be held in the Chief Engineer's Office at Bangalore, on Monday the 5th August 1918.

2. Candidates must send in their applications through the proper channel in the form prescribed with the necessary certificates to the undersigned on or before the 20th June 1918.

S. CADAMBI,
Chief Engineer of Mysore.

WATER-SUPPLY DIVISION.

Abstract Notification, dated 4th February 1918.

The attention of the public is drawn to the Notifications calling for tenders for the supply of casuarina, jungle fuel and charcoal required for the use of this Division for the year 1918-19, published in Part IV, pages (144, 145 & 146) of the Mysore Gazette dated the 7th February 1918, tenders for which will be received by the undersigned up to 12 noon of 1st May 1918.

Abstract Notification.

The attention of the public is invited to the detailed Notification published in the issue of the 14th February 1918, calling for tenders for the supply of 730 tins of kerosene oil for the Harihar pumping station during the year 1918-19 which will be received by the undersigned up to 12 noon of the 1st May 1918.

S. SRINIVASA AIYAR,
Executive Engineer.
